This is a walkthrough on how to register for an online account with us.

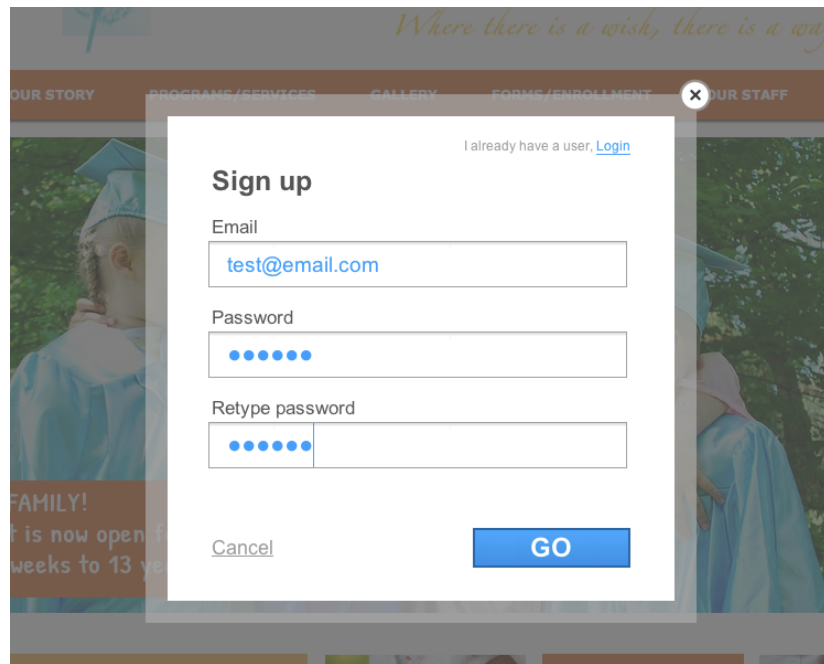

Step 1) Click the 'Login/Sign up' button at the top right corner of the website.

A Sign-up page will pop-up.

The image shows a "Sign up" pop-up form overlaid on the website. The form has a white background and a thin border. At the top right of the form, there is a link: "I already have a user, [Login](#)". The form contains three input fields: "Email", "Password", and "Retype password". Below the input fields are two buttons: a "Cancel" link and a blue "GO" button. The background of the pop-up shows a blurred version of the website's header and navigation bar.

Step 2) Type in your existing email. Create a password for our website and retype it.
