

Welcome to LandofChildren.org

This is a walkthrough on how to login to your existing account.

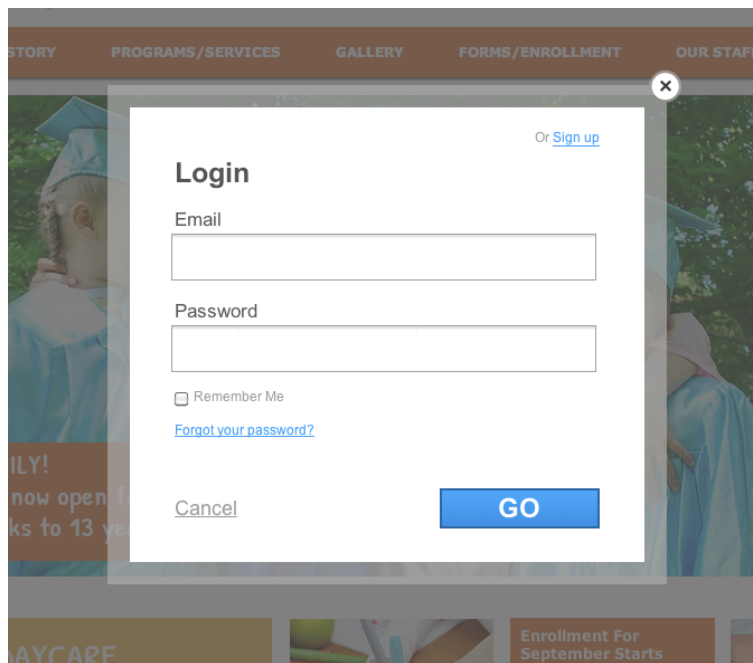

Step 1) Click the 'Login/Sign up' button at the top right corner of the website.

Step 2) In the top right corner of the Sign-up page, click 'Login'.

You will be switched to the Login page.

As an option you can choose to select 'Remember Me' at the bottom of the Login page to keep you logged in until you sign out.

A screenshot of a web application's login modal. The modal has a title 'Login' and a link 'Or Sign up'. It contains two input fields: 'Email' with the value 'test@email.com' and 'Password' with masked characters. Below the password field is a checked checkbox labeled 'Remember Me', which is circled in blue. There is also a link 'Forgot your password?'. At the bottom are 'Cancel' and 'GO' buttons. The background shows a navigation bar with 'PROGRAMS/SERVICES', 'GALLERY', 'FORMS/ENROLLMENT', and 'OUR S'.

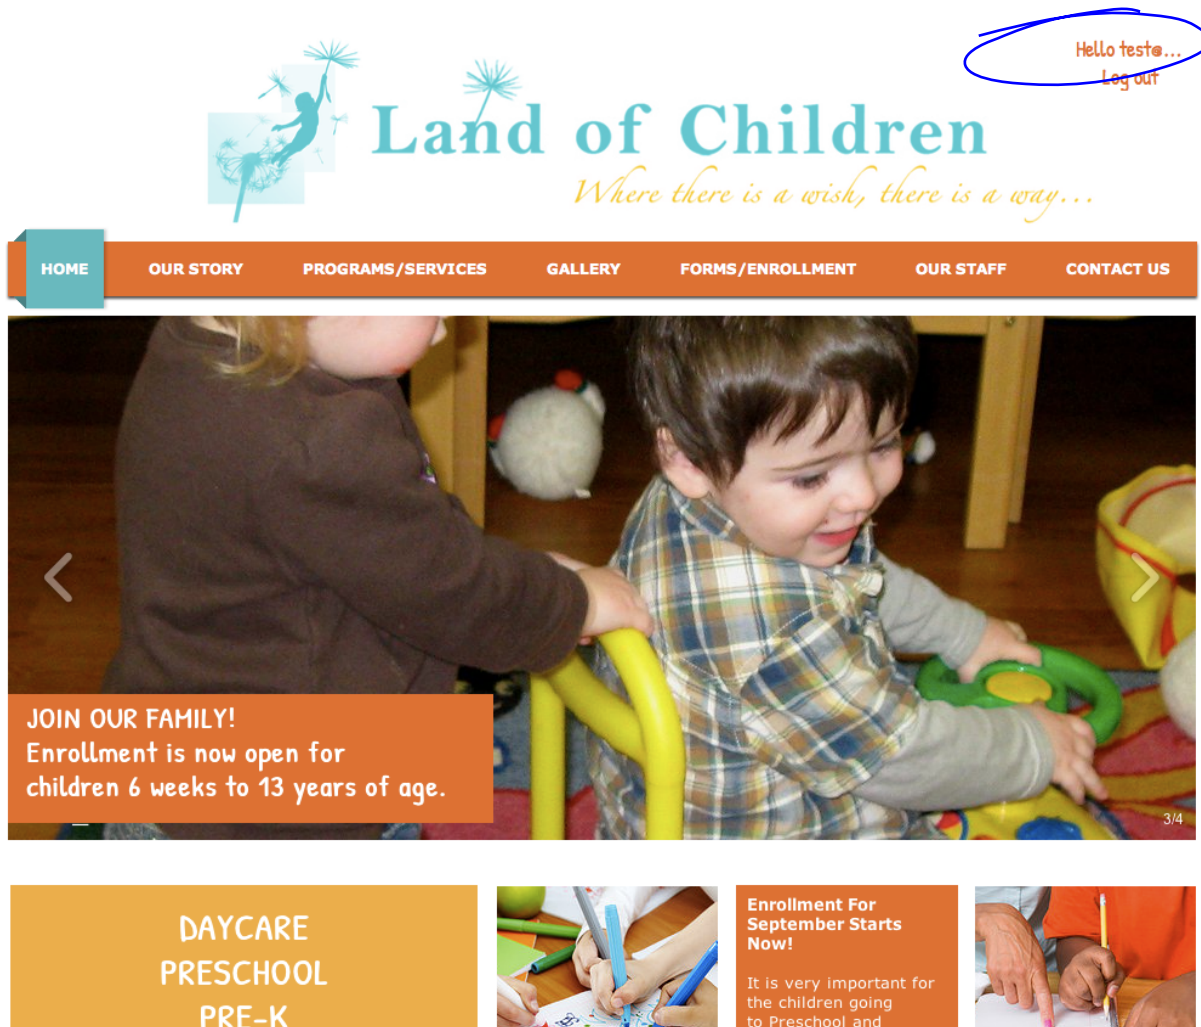

Step 4) Click the 'Go' button in the bottom right corner of the Sign-up page.

A screenshot of the same login modal as above. In this step, the 'GO' button at the bottom right is circled in blue. All other elements, including the 'Remember Me' checkbox, remain the same. The background navigation bar is also visible.

You are now logged in to your account and can access locked pages on our website, like the online tuition payment page.

To make sure you are logged in, look at the top right corner of the website. It should say "Hello".

This is the end of "How to log into your created account" walkthrough.
